**EX PARTE MEMORANDUM** (Docket No. MB 02-235)

On May 22, 2003, Spanish Broadcasting System, Inc. ("SBS") made an ex parte presentation to the office of Commissioner Michael J. Copps, pursuant to the Commission's Public Notice in the above-referenced docket, released August 26, 2002.

The ex parte presentation addressed questions concerning a separate Hispanic broadcast market and the adverse impact upon that market that would result from a Commission grant of the merger of Hispanic Broadcasting Corporation and Univision Communications, Inc. Inter alia, SBS showed that Commission approval of the merger would result in the elimination of competitive voices in the marketplace and the reduction of minority ownership in broadcast media.

Raul Alarcon, Jr., President and Chief Executive Officer of SBS, made the presentation. The following were present:

Commissioner Michael J. Copps  
Jordan Goldstein
